

Cruise Night to Oakland Beach

Thursday night, July 16, 2015, the I.F.R.C. cruise night will take us a short 5 miles to Oakland Beach. We have been able to arrange for special parking on the green for the Retractable and classic cars. There are other parking areas for everyday drivers. Pack your beach gear. There is a nice sandy beach and playground. There are two restaurants, Iggy's Doughboys /Chowder House (On the beach side) and Top of the Bay (across the street). Iggy's is much more casual and seafood is the specialty. The Top of the Bay also has seafood, but also has a full service restaurant and bar. Iggy's also has an Ice Cream and Sweets shop just next to it. Check out the web sites. You can see menus and find special offers and coupons as well.
