

## Wednesday Afternoon Craft Class – Rhinestone T-shirts

Cost: \$20 per person

Ciera will be coming to the hotel to teach us how to make rhinestone t-shirts that you can wear during the convention or give as a gift to someone you love. Don't worry, she assures us that it is not hard at all. The unisex T-shirts are grey because she said that is the best color to show the rhinestones. If you would rather have a more fit type of shirt, you can bring your own. However, there is no discount if you do. (Even if you are bringing your own, we still need to know the size. She needs to bring the correct pattern size for your shirt)

Pick your design:

### SKYLINER

The word Skyliner is in bold letters and outlined in silver to represent chrome. The inside is broken in half horizontally so you can make it the color of your car, for example: red and white. Of course, this is your shirt, you can make it all in one color if you want. It is totally up to you.

### FLOWER

If you are not into a Skyliner shirt, we have the second option of a flower. Make your flower any color you want. Want it all red, do it. Want it red, white and blue, do it. Want it pink with purple polka dots, you can even do that. Whatever color you want your flower, you can do it.

When you sign up for this class, make sure you pick the design and t-shirt size. If you are bringing more than one person, let us know the design and size for each person. Because there is prep required by our teacher beforehand, there may not be many sign-ups during the convention. So if you are interested in the class, sign up on the registration form to be guaranteed your spot and the design you want.
